**You should write 90 - 100 words.**

As the plane flew lower, Lou saw the golden beaches of the island below. Lou was thinking that he is the happiest man in the world because he was waiting this trip very much. He hasn't been relaxing for two years, because of his difficult and important job. Lou was a great children's doctor in London's hospital. He was the best doctor in England and nobody could be in his place. The pilot said that the plane will be in island in a half of an hour. Lou was sitting and thinking about his holidays on the sea with excitement.
