- explain what kinds of people the resort is likely to appeal to;
- say which aspects of the resort you would most recommend to other visitors;
- suggest at least one way in which you feel the resort could be improved.

Victoria Hotel

Recently, I have travelled to Turkey and I've stayed at Victoria Hotel. This ~~hotel~~ resort is a lovely place, its territory is wonderful. The territory includes gardens, different restaurants and even its own beach! Victoria Hotel is a peaceful and quiet so for people who want to relax is an absolute must to visit it. I also totally recommend to visit the resort's bubble show as ~~the~~ entertainments are really great here and I was excited when I'd seen it for the first time. Another thing that should be marked is the hotel's rooms. I didn't get the most luxurious room but it was huge and so cosy! You won't ever see such large rooms in hotels.

Anyway, I've got some recommendations for improving this resort. It would be nice if the hotel had its own gym so the visitors could train and keep fit even on their holidays.

So to sum up, my holidays in Victoria Hotel were the best in my life.
